## 02

### What's on the Agenda

Our policy workshop will feature a range of sessions aimed at identifying challenges and proposing actionable solutions to take the Venture Capital Industry to a new level.

Highlights include:

- **Data Insights Presentation:** Explore preliminary key findings from our policy report, "Untapped Opportunities for European Venture Capital: Pension funds and Sovereign Wealth funds"
- **Roundtable discussions:** Engage in discussions with experts to identify the barriers that limit Venture Capital Industry in Europe.
- **Case Studies:** Learn from real-world examples of successful investors and innovative policy practices.
- **Solutions and Policy Recommendations:** Collaborate on developing solutions and policy recommendations that support the growth of VC industry in the EU.
