

International Pre - Acceleration Program

The Greek Startup Ecosystem is Thriving: More Investment, More Opportunities

The Greek startup ecosystem is rapidly evolving, marked by increasing investment rounds, a surge in innovation, and a thriving entrepreneurial spirit. Recently, Greece has emerged as a dynamic hub for cutting-edge startups, attracting global attention and capital. With strong growth in sectors like **fintech, health tech, agritech, deep tech, and renewable energy**, the ecosystem is now more vibrant than ever—fueled by government support, international investors, and a robust network of accelerators and incubators.

Introducing egg Accelerator: Your Pathway to Growth

As Greece's startup landscape accelerates, **egg - enter grow go**, the business accelerator of **Eurobank in collaboration with the European Business Angel Network (EBAN)**, is at the forefront of this transformation. Our **two-month International Pre-Acceleration Program** is designed to empower early-stage startups, connecting them with the tools, mentorship, and networks they need to thrive in this booming ecosystem. **The program is scheduled for July 2025 to September 2025.**

Why Join egg Accelerator?

- ✓ **Access to a Growing Investment Scene:** Greece's startup funding is on the rise—position your venture to attract angel investors and VCs.
- ✓ **Expert Mentorship:** Learn from top-tier mentors and industry leaders across Greece and Europe.
- ✓ **Structured Growth:** 40+ hours of intensive bootcamps, workshops, and peer-to-peer sessions to refine your business model.
- ✓ **Pitch to Investors:** Showcase your startup at our exclusive demo day to secure funding and partnerships.
- ✓ **Cross-Industry Opportunities:** Open to startups in **Life Sciences, AI, FinTech, GreenTech, EdTech, Tourism, and more**—whether in ideation, pre-seed, or seed stage.
